## **BROTHEL VICTORY**

There has been a brothel based at 217 Worsley Road in Swinton for 13 years.

Inspector Robert Findlow of Salford Police has publicly confirmed that the World Famous Babes premises is a brothel.

The World Famous Babes brothel is located in a residential area in very close proximity to community buildings used by local children.

In January 2009 Richard Carvath, Prospective Independent MP for Salford and Eccles, started a BrothelWatch campaign against the brothel.

As the public face of the BrothelWatch campaign, Richard has been the subject of intimidation, death threats and an attempted assault.

This week the brothel has suspended trading and has not announced any date for when trading might recommence.

Richard Carvath said: "I'm pleased that the World Famous Babes brothel has suspended trading and I hope this development will prove to be permanent. The BrothelWatch campaign will continue to monitor the situation until we are certain that there will be no further prostitution at 217 Worsley Road."
